Po's

FREEZE FRESH

"Fruit Crisps"

FREEZE DRIED FRUIT

Asronot's fruit snack is now for all; healthy and natural fruit snacks as adapted to the daily life from a space technology.

Freeze Fresh Fruit Crisps are an easy, convenient and fun way to eat your fruit. The perfect anytime snack!

We start with delicious fruit, straight from our own farms and contracted farmers. It is then sent directly through our state-of-the-art

WHAT IS FREEZE DRY?

freeze-dried process that gently removes the water from the fresh fruit, transforming it into a delightfully light, and flavorful fruit crisp.

Freeze dried fruits are the best when consumed directly from the package but it is also an excellent food supplement for oatmeal, cereal, muesli, different kinds of tea and also many other healthy food products.

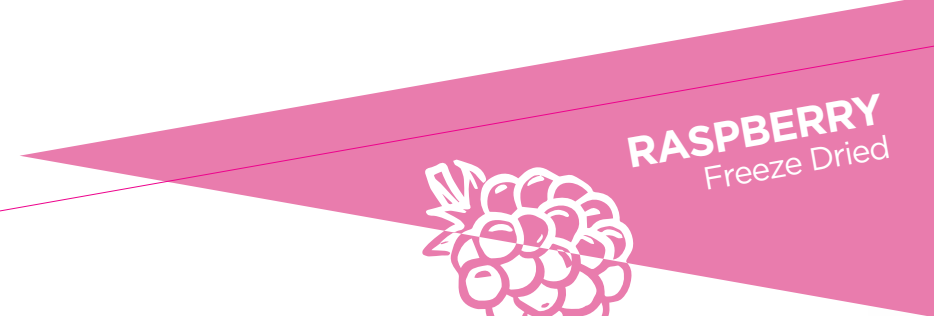

WHY FREEZE DRY?

- Preserves nutritional values by 97%.
- Preserves available minerals and beneficial bacteria.
- Does not cause growth of aflatoxin, mold and harmful bacteria.
- Preserves flavor and aroma as is.
- Can be offered in powder, diced, sliced and granule forms.
- Barrier sealed packaging offers 20 years of shelf life without being opened.

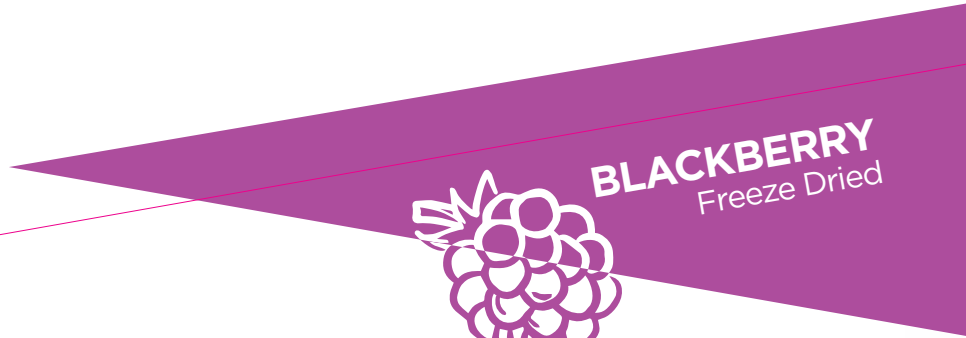

- Produced From 165 g Strawberries
- Freeze drying preserves the fruits nutrition and flavours.
- Natural Fiber Source
- Only 53 calories per pack
- Rich in Nutrients, Vitamins
- Rich in Antioxidants
- High in Vitamin C
- The crispy snack with health benefits and low calories for anytime.
- Ideal for snacking, porridge, cereals, yogurt, muesli, smoothies, protein shakes, tea, ice cream topping, garnish for cocktails, baking and culinary processing to flavour your meals.
- We offer different cut types of strawberries as bulk. (Whole, Sliced, Diced, Granule, Powder)
